West Athens-Westmont CONNECTION

COMMUNITY RESOURCE GUIDE 2012

BOARD OF
COUNTY OF

SUPERVISORS
LOS ANGELES

Enriching Lives

Mark Ridley-Thomas
Supervisor, Second District

Dear Community Member,

The County of Los Angeles is pleased to offer the 2012 edition of the Connection; a resource guide especially prepared for the West Athens-Westmont community! This annual publication connects you to local and regional County services, recreation, community organizations, and important public safety information.

There have been many exciting improvements; including the development of a new community garden; construction of affordable housing for seniors; the addition of a new shuttle service, the LINK Shuttle; improvements to the Martin Luther King, Jr. Medical Center and Multi-Service Ambulatory Care Center; and the opening of the new MLK Center for Public Health.

The County hopes that you enjoy the **West Athens-Westmont Connection** and encourages you to save this guide as a handy reference. Your input is welcomed. If you have any comments or suggestions regarding the **West Athens-Westmont Connection**, please forward them to:

County of Los Angeles-Chief Executive Office

Office of Unincorporated Area Services, 723 Kenneth Hahn Hall of Administration
500 W. Temple Street, Los Angeles, CA 90012
or e-mail your comments to uas@ceo.lacounty.gov

Living in West Athens-Westmont

West Athens-Westmont is located within unincorporated Los Angeles County. This means that West Athens-Westmont is not a city, but is one of the many unincorporated communities in which the County is responsible for providing all municipal services such as law enforcement, animal control, road maintenance, library services, and recreation activities. Residents who live in West Athens-Westmont are represented by the Los Angeles County Board of Supervisors, which maintains a field office at the Inglewood Courthouse, located at One Regent Street, Room 620.

Here Are a Few Tips on How You Can Improve the West Athens-Westmont Community:

Use Your West Athens-Westmont Connection!

Use this guide as a resource to become better informed about how to access County departments and services.

Share Your Knowledge! Tell your friends and neighbors about County departments and County services.

Get Involved! Work with an existing resource, like the Southwest Community Association, the Sheriff's Neighborhood Watch program, or start your own neighborhood meeting, and work in partnership with County government.

If you have questions or need assistance accessing County services, please contact your local Field Deputy at **(310) 419-5161**.

Southwest Community Association

The purpose of the Southwest Community Association is to involve residents like you in the civic and economic issues that affect the quality of life, security, property values and general well-being in the West Athens-Westmont community.

The Southwest Community Association meets the 2nd Monday of each quarter at 6:30 p.m. For more information, or if you are interested in becoming an active member of the Southwest Community Association, please send a postcard or letter with your name, address, home and/or business telephone numbers to Mr. Henry Porter Jr., President of the Southwest Community Association, at the following address:

Serving the Community- The County Develops State of the Art Healthcare Facilities

Martin Luther King (MLK), Jr. Center for Public Health

The grand opening of the new MLK Center for Public Health was held on October 7, 2011. The

new Center is a 30,000 square foot, two-story state of the art structure. It has been designed to meet the County's requirements for sustainable buildings utilizing Leadership in Energy and Environmental Design (LEED) standards, and is forecasted to be certified as LEED Gold.

This \$20 million facility is located adjacent to Charles Drew University of Medicine and Science, and across the street from the MLK Campus.

Martin Luther King, Jr. Medical Center Inpatient Tower Renovation

A major rehabilitation program is currently underway at the MLK Medical Center. The project includes the renovation and conversion of the existing 190,000 square-foot Trauma Building into a new Inpatient Tower.

The planned overhaul will also see the construction of a new 25,000 square-foot Ancillary Building to house a cafeteria and hospital administrative services and the transformation of the existing Pediatric Acute Care and Medical Records buildings into the hospital lobby/reception area.

In an effort to optimize energy efficiency and minimize operational costs, the County has designated that all the new on-site buildings meet Leadership in Energy and Environmental Design (LEED) Silver certification standards. The project is scheduled for completion in the spring of 2013.

Multi-Service Ambulatory Care Center

The new 137,000 square foot Multi-Service Ambulatory Care Center (MACC) building will offer a wide variety of surgical and outpatient clinical services. Clinical services will include general medicine, orthopedics, pediatrics, women's, walk-in, pharmacy, radiology, cafeteria/kitchen, and central sterilization storage.

The North and South Support Buildings will be renovated to house various support operations. Site infrastructure upgrades, parking, landscaping and street improvements are also part of the project.

This facility is being designed to meet LEED Silver certification and Civic Arts standards. Construction is scheduled to be completed by 2014.

THE LINK-New Shuttle Service for West Athens-Westmont

The LINK is a shuttle service that connects to various transit lines operated by Metro, DASH, and the cities of Torrance and Gardena. Through this regional network, local residents can easily access a variety of local and regional destinations including libraries, schools, parks, medical and social service providers, youth and senior community centers, and major shopping centers.

Service Hours:

7:00 a.m. to 6:00 p.m., Monday - Friday
9:00 a.m. to 6:00 p.m., Saturdays

The LINK departs on the hour and operates throughout the community along a circular loop. The shuttle does not operate on the following holidays: Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day or New Year's Day.

Fares:

General:	25 cents per trip
Senior citizens (60 and older):	FREE
Persons with a disability:	FREE
Children under five years old:	FREE

The shuttle also accepts all valid Metro and EZ transit passes. For additional information, please call the Department of Public Works at **(626) 458-5914** or visit www.LaGoBus.info.

One Step Closer To a Plastic Bag Free LA County!

Phase two of the County's plastic bag ban ordinance in the unincorporated communities went into effect on January 1, 2012. The ordinance means that approximately 700 small grocery stores, convenience stores, foodmarts, and pharmacies located in the unincorporated County areas, will no longer provide single-use plastic carryout bags. Instead, customers will have to use their own reusable bags or buy recyclable paper carryout bags for a charge of ten cents per bag.

The ban on plastic carryout bags will substantially reduce litter, protect the environment, and strengthen the County's efforts to reduce the negative impact of single-use plastic bags.

Phase one of the plastic bag ban ordinance went into effect on July 1, 2011 and applied to supermarkets and large pharmacies.

For more information please visit, www.aboutthebag.com or call **(888) CLEANLA**.

Empowerment Congress Celebrates 20 Years of Empowering Communities!

On January 14, 2012, the Empowerment Congress celebrated its 20th anniversary at the University of Southern California's Bovard Auditorium. The celebration included speeches by keynote speaker, the Reverend Al Sharpton and actor/author Hill Harper; and a series of workshops that focused on topics such as economic development, healthcare reform, and community capacity building. In addition, a diverse group of non-profit organizations and County departments including Community and Senior Services, Community Development Commission, Consumer Affairs, Health Services, Human Resources, Public Health, Public Library, and Public Social Services, were on-site to provide resource and referral information.

Founded in 1992, the Empowerment Congress is a community-based, non-profit organization created with the intention of educating and empowering constituents to actively engage in the governmental decision-making process. Focusing on issues such as Arts and Culture, Economic Development, Education, Health and Environment, Human Services, Mental Health, Public Safety and Justice, and Senior Services, the Empowerment Congress strives to advocate for community improvement.

For more information about the Empowerment Congress, please call (213) 346-3246 or visit <http://empowermentcongress.org>.

Los Angeles County General Plan Update

The Los Angeles County 2035 General Plan provides the policy framework for how and where the unincorporated County will grow through the year 2035 while recognizing and celebrating the County's wide diversity of cultures, abundant natural resources, and status as an international economic center. Comprising approximately 2,650 square miles, unincorporated Los Angeles County is home to over one million people. The Los Angeles County 2035 General Plan accommodates new housing and jobs within the unincorporated area in anticipation of population growth in the County and the region.

For more information on the Los Angeles County 2035 General Plan please visit <http://planning.lacounty.gov/generalplan/> or contact the Los Angeles County Department of Regional Planning, General Plan Development Section at (213) 974-6417 or genplan@planning.lacounty.gov.

County Services Are Now Available Through a New iPhone App, "The Works"

If you live, work or drive in Los Angeles County and don't know which government agencies to contact for services, then you need "The Works".

"The Works" allows County residents to request and track services, such as pothole repairs, graffiti removal, street sweeping, or report illegal dumping. The "Report a Violation" service enables residents to report incidents of alleged property violations. If the service request is not handled by Los Angeles County, "The Works" will provide you with the appropriate contact information.

"The Works" is a great way to get the latest news on road closures, upcoming events, and local transit services. It also helps users locate the nearest Public Works office, library, water company and utility providers.

You can download "The Works" for free from the App Store or go to www.dpw.lacounty.gov/theworks for details.

Be Prepared! The LA County Emergency Survival Guide Provides Vital Information to Unincorporated Area Residents

The LA County Emergency Survival Guide provides helpful tips and information to residents to prepare for fires, floods, earthquakes, pandemic flu, terrorism, extreme weather, and tsunamis. Also included are pages where residents can record their personal household emergency plans; including contact lists and evacuation gathering points, checklists for gathering emergency supplies that will help families, individuals, and their pets survive after a major disaster.

Download your copy of the Emergency Survival Guide at www.lacoa.org.

Certified Farmers' Markets

The term "certified" used in the phrase "Certified Farmers' Markets" means that the produce is brought to the market straight from the farm, either by the farmer personally or by an employee. Only California grown produce may be certified. Los Angeles County agricultural inspectors visit and certify participating farms growing crops locally. They inspect the markets and review all farmer's papers for accuracy, thereby certifying that the farmers are only selling what they, themselves, have grown.

Below are some Certified Farmers' Markets near the West Athens-Westmont community opened year-round:

El Segundo	760 S. Sepulveda Blvd.	Wednesdays	10:00 a.m. to 2:00 p.m.

Annual Clean-Up Campaign

To promote a cleaner community, the Athens-Woodcrest-Olivia Garbage Disposal District will receive a special clean-up service in May 2012. Consolidated Disposal Service will collect unlimited amounts of the following household items from your regular trash placement area: furniture, washers, dryers, tires, computer monitors, household bedding, lumber, CD/DVD players, lawn furniture/ equipment, dishwashers, televisions, small electronics, refrigerators, water heaters, microwaves, bundles of green waste, stoves, and other similar bulky items. For more information, call Consolidated Disposal Service at (800) 299-4898.

Visit Your Local Fire Station in May

Every May, the Los Angeles County Fire Department hosts Fire Service Day. All County fire stations host an open house, and the public is invited to learn more about the services provided by the Department.

For the location of the annual regional Fire Service Day event, please contact the Fire Department's Public Affairs Section at (323) 881-2411 or visit the Department's website at <http://www.fire.lacounty.gov/>.

Sewer Condition Assessment Program: Your Sewer Charges at Work

The Los Angeles County Department of Public Works will continue its Condition Assessment Program (CAP) in the unincorporated area of West Athens-Westmont. CAP is part of the County's on-going sewer maintenance and rehabilitation efforts and supports the overall quality of the sewer infrastructure.

The CAP conducts closed-circuit television (CCTV) inspections and structurally rates 500 miles of the County's sewer infrastructure each year. The televising prioritizes focus on those sewers with the most potential for repair needs. Maintenance history, past overflow records, sewer locations, and age are some of the factors used to determine which pipes will be televised.

Under this program, a CCTV van crew gathers video and data for each pipe segment to identify any deficiencies. Engineers review the tapes and video logs to determine if the sewer facilities should be repaired or replaced immediately, or scheduled for future improvements.

In the fall of 2012, approximately 5,800 linear feet of sewer lines in the West Athens-Westmont area will be refurbished. The work being done to these sewers will extend their service life for another 50 years.

FREE Helen Keller Park Movie Program

The British Academy of Film & Television Arts of Los Angeles (BAFTA/LA) introduced the Inner City Cinema (known as "Movies in the Park") at Helen Keller Park in 2005.

Over the years, BAFTA/LA has screened approximately 50 films at Helen Keller Park. Movie screenings have included popular films such as Tsotsi, Madagascar, Akeelah and the Bee, Shackles, The Sage Hunter, The Wizard of Oz, The Great Debators, The Heart of the Game, Pride, Santa Claus 2, Gridiron Gang, Three Kings, Mighty Times, Long Shot and Hairspray. Approximately 150-200 people attend each screening.

As a bonus, movie directors, producers and cast members participate in a question and answer session after each movie screening. Past celebrity guest speakers include Gridiron Gang star Dwayne "The Rock" Johnson, Hairspray's Elijah Kelly and The Great Debators Nate Parker, Denzel Whitaker and Jurnee Smollett and most recently, the special guest was Lorna Luft, daughter of Judy Garland.

BAFTA/LA continues to provide new, exciting and quality family films to the community free of charge. Come out and join the fun!

Let's Go to the Hollywood Bowl! Hollywood Bowl Park-And-Ride Express Bus Service

The Hollywood Bowl Park-and-Ride is an express bus transportation service to summer season performances at the Hollywood Bowl. Each year, this bus service is provided by several transportation vendors from various park-and-ride lots throughout the County of Los Angeles from June through September.

The service provides buses that are air-conditioned and wheelchair accessible. Passengers with pre-purchased park-and-ride tickets pay less for their roundtrip ticket and get priority boarding over those paying cash at the park-and-ride lot. Tickets are available in

advance at Ticketmaster outlets at (800) 745 3000, the Hollywood Bowl Box Office at (323) 850-2000, and online at hollywoodbowl.com.

There is a park-and-ride lot in Westchester: Westchester Shopping Center, located at 6212 West Manchester Avenue (between Sepulveda Boulevard and La Tijera). The parking area is between building 6232 and Ayara Thai Cuisine. The trip to the Hollywood Bowl is approximately 45-minutes.

Patrons may call the Hollywood Bowl Box Office for specific departure times.

Woodcrest Library (continued)

At the library:

The libraries have many resources available: Books, audio books, videos and DVDs, CDs, magazines and newspapers. Materials are available in English and Spanish. Public computers provide free Internet access. The library catalog and indexes to newspaper and magazine articles are online. A wide range of online databases include information on genealogy, consumer health issues, and skill-building/test preparation/practice exams. There are coin-operated copy machines. Library staff will help customers find materials.

From your home computer:

With a free County Public Library card, you can have access to a variety of helpful services from your own computer including e-books and free downloadable music. Just apply at any one of the County's 85 public libraries and have free access to full-text magazines, newspapers and other resources!

You can use our premium research tools to find information about business, health and medical issues, genealogy, car repair, homework topics for students of all ages, and much more. To access these resources go to www.colapublib.org, click on "Find Articles and More" at the top of the page, select the resource you want, and enter your library card number.

PUBLIC SAFETY

Sheriff's Department <http://lasd.org>

South Los Angeles Station

1310 W. Imperial Highway
Los Angeles, CA 90044
(323) 820-6700

For emergencies, call 9-1-1!

**Captain:
Matt Dendo**

To report a crime or suspicious activity, please contact the South Los Angeles Station at **(323) 820-6700**.

Along with policing services, the South Los Angeles Station offers community programs through its Youth Activities League (YAL). Services offered are classes in Karate, Boxing and Life Skills. In addition, facilities for weight lifting, basketball, skate park, computer lab, tutorial assistance and programs with a focus on Youth Leadership Council and Explorers are also available.

The South Los Angeles Station also offers adult community programs such as senior safety classes, community academy courses, R.A.D. defensive classes, on-going community task force meetings and "Zumba" classes to keep everyone healthy.

To obtain information and details about community programs, please contact the South Los Angeles Station YAL located at 11911 S. Vermont Avenue, Los Angeles, CA 90044 or call **(323) 242-8784** for more assistance.

Annual Community Events-South Los Angeles Station Youth Activities League

Audrey and Sydney Irmes Youth Center

11911 S. Vermont Avenue • Los Angeles, CA 90044
(323) 242-8784

The South Los Angeles Station's YAL provides young people in the West Athens-Westmont community with positive alternatives to drugs, gangs, anti-social and criminal behavior. The following annual events are held at the center. Please call the YAL for more information about available programs.

Summer Program – The summer program is open to all community youth between the hours of 10:00 a.m. and 6:00 p.m. Activities include a computer lab, skate park, basketball games, dance class and free zone. Field trips include movie outings, roller skating, swimming, "fun in the sun" days and more.

Back to School Bingo – Each youth enrolled in the program who participates in this event goes home with a backpack and school supplies. Over 135 kids participate in the bingo games with hopes of winning one of the many donated "overly stuffed" backpacks which are filled to the rim with supplies.

Haunted House – In October, a few monsters, ghost and goblins come out for this annual event. Enrolled participants, their families and community members are invited to enjoy a night of food, fun and candy provided by staff, volunteers and generous donors.

Christmas Extravaganza – This event is held at the end of December to bring the community together for the holidays. Attractions include free food, games jumpers face painting, and clown acts. Children in attendance will receive a gift from Santa Claus!

Fire Safety Tips: Using Portable Electric Heaters

It is estimated that half the deaths and one third of the injuries from electric heater fires happened at night when family members were asleep and the heater was unattended. Power or extension cords can also be too small to supply the amount of current required by the typical portable heater, resulting in fire.

Safety Tips

Operate a heater away from combustible materials. Do not place heaters where towels or other materials could fall on the appliance and trigger a fire.

Avoid using extension cords unless absolutely necessary. If you must use an extension cord with your electric heater, make sure it is marked with a power rating at least as high as that of the heater itself. Keep the cord stretched out. Do not let the cord become buried under

carpeting or rugs. Do not place anything on top of the cord.

Never place heaters on cabinets, tables or other furniture. Never use heaters to dry clothes or shoes.

Fire Safety Status Check

To be safe, you should be able to answer "yes" to the following statements:

- The heater is at least three feet away from furniture, drapes, bedding and other combustible materials.
- The extension cord (if used) is marked #14 or #12 American Wire Gauge (AWG).
- The heater is on the floor.
- The heater is turned off when family members leave the house or are sleeping.

New Law Requires Carbon Monoxide Detectors in Homes

Starting July 1, 2011, California State law requires all homeowners to install carbon monoxide detectors in their homes. This legislation is part of the State's new Carbon Monoxide Poisoning Prevention Act (Senate Bill 183). While previous laws required newly-constructed homes to have carbon monoxide detectors, the new law requires all owners of an existing single-family home with an attached garage or fossil fuel source also to install an alarm. According to Acting State Fire Marshal Tonya Hoover of the California Department of Forestry and Fire Protection (CAL FIRE), carbon monoxide claims the lives of an average of 480 people per year and sends more than 20,000 people to emergency rooms across the nation.

Carbon monoxide is a colorless, odorless gas that is produced whenever any fuel such as gas, oil, kerosene, wood, or charcoal is burned. Heaters, fireplaces, furnaces and many types of appliances and cooking devices can produce carbon monoxide. Inspecting and maintaining fuel-burning appliances can reduce the threat, but the best way for homeowners to stay protected is to have a carbon monoxide detector installed on every floor and outside each sleeping area. For more information on how to prevent carbon monoxide poisoning, visit the CAL FIRE website at <http://www.fire.ca.gov/>.

Safely Surrendered Baby Program

The Safely Surrendered Baby Program allows a parent of anyone with lawful custody to surrender a newborn child (72 hours or younger) to any firefighter on duty at any fire station in Los Angeles County. The purpose of the law is to protect babies from being hurt or killed because they were abandoned. As long as the baby has not been abused or neglected, the person may surrender the baby without fear of arrest or prosecution for child abandonment. For more information, visit www.babysafela.org or call 1 (877) BABY-SAFE.

Don't Be a Dumper!

Illegal Dumping is any unauthorized disposal of waste on public or private property. The County is committed to reducing the occurrence of illegal dumping, which is punishable by a fine up to \$10,000 and up to six months in jail. To report illegal dumping, contact the Los Angeles County Department of Public Works Environmental Programs Division at **(888)-8DUMPING** or visit the Department's illegal dumping website at

www.stopillegaldumping.com, and click on the illegal dumping link to file a confidential report. You can also find other information and resources to prevent illegal dumping at this website.

Recycle Today for a Brighter Tomorrow

Minimizing the amount of waste you generate can help create a more sustainable environment for future generations. Help reduce your environmental impact by conserving resources, avoiding wastefulness, and redesigning your daily activities to be as environmentally-friendly as possible.

Here are some helpful tips:

- **Protect the community.** Safely dispose of household hazardous, electronic, and universal wastes by bringing them to the County's free collection events.
- **Be part of the recycling loop.** Purchase only items made from recycled materials.
- **Know what you can and can't recycle.** Learn the recycling rules and regulations for your area. Contact your waste hauler for specific collection guidelines, and try to follow them as best you can.
- **Make your own compost.** Learn how to mix brown and green organic materials with water to create nutrient-rich soil for your yard by attending a free Smart Gardening workshop.
- **Spot an entrepreneurial opportunity in someone else's discards.** LACoMAX.com is a free service used to help businesses, organizations, and institutions find alternatives to the disposal of valuable materials. Use this online service to find something you need or to make available something you have.
- **Recycle your old magazines.** Give them to doctor or dentist offices, gyms or friends.
- **Get the most out of your utensils.** Reuse your cups, plates and forks rather than single use plastic dinnerware and utensils.

Remember to do your part for the environment and recycle. Learn more by visiting the County's Residential Recycling program website, www.RethinkLA.com

Don't Bug Your Neighborhood!

Fruits, vegetables, and other plant materials that come from outside of California may bring with them pests - such as insects, diseases, and weeds - that don't belong in California. Those things are problems because they kill or harm native species, damage buildings, destroy landscaping and home-grown fruits and vegetables, and add extra costs to California's agriculture industry - costs that will get passed along to consumers.

You can help in two ways:

- 1) when returning to California from a trip out of state, do not bring back prohibited fruits, vegetables, and other plants with you; and
- 2) discourage your family and friends outside of California from sending such things in the mail. Call **(562) 622-0426** to find out what is prohibited.

Be the First to Know! Register with Alert LA County

Los Angeles County has implemented an emergency mass notification system that will be used to contact County residents and businesses via recorded phone messages, text messages or e-mail messages in case of emergency. The system, called **Alert LA County**, will be used by the County's Emergency Operations Center to notify residents and businesses of emergencies or critical situations and provide information regarding necessary actions, such as evacuations. The system utilizes the telephone companies' 911 database and is able to contact land-line telephone numbers, whether listed or unlisted. If the call is picked up by an answering machine, the system will leave a recorded message. If the number called is busy or does not answer, the system will redial the number in an attempt to deliver the message. The system is also TTY/TDD compatible.

Because the **Alert LA County** system uses the 911 database, only land-line numbers are automatically included in the system. If you have a cellular or Voice over IP number and would like to be notified on that device, or if you would like an e-mail notification, you must register those telephone numbers and/or e-mail address by completing the registration form. **Listed and unlisted land line telephone numbers are already included in the database and do not need to be registered.**

Because the **Alert LA County** system uses geomapping, each telephone number and/or e-mail address can only be associated with one street address in the system. **Each telephone number and e-mail address that is registered will be contacted only when the street address it is associated with is impacted by a disaster or emergency.**

For more information about **Alert LA County** or to register, please visit <http://portal.lacounty.gov/wps/portal/alertla>.

You can dial **2-1-1** to access information for emergency food

and shelter, senior services, childcare, employment resources, report code enforcement problems, low-cost health care, alcohol and drug-related support, volunteer opportunities, and many other services. As a resident of the unincorporated area of West Athens-Westmont, you can just simply dial **2-1-1** to access an array of municipal services, at no cost to you. The **2-1-1** information service is provided in many languages.

2-1-1 is operated 24 hours a day, 7 days a week. The information you provide to the resource advisors is confidential. **NOTE:** In case of an emergency, **you still must dial 9-1-1.**

If you are unable to access **2-1-1** directly, please call **(800) 339-6993** or visit the **2-1-1** LA County website at www.211LA.org.

Puede marcar el **2-1-1** para acceder a información sobre alimentos

y refugios de emergencia, servicios para adultos mayores, guarderías, recursos para empleo, para reportar problemas con el cumplimiento de las normas, atención médica a bajo costo, apoyo relacionado con el consumo de alcohol y drogas, oportunidades para voluntarios, y muchos otros servicios. Como residente del área no constituida de West Athens-Westmont, puede simplemente marcar **2-1-1** para acceder a una variedad de servicios municipales, sin ningún costo para usted. El servicio informativo **2-1-1** se brinda en varios idiomas.

El servicio **2-1-1** opera las 24 horas del día, los 7 días de la semana. La información que proporcione a los asesores de recursos es confidencial. **NOTA:** En caso de una emergencia, **debe marcar el 9-1-1.**

Si no puede acceder al servicio **2-1-1** directamente, por favor llame al **(800) 339-6993**, o visite el sitio web **2-1-1** del Condado de Los Ángeles en www.211LA.org.
